

## ALPHABETICAL INDEX

| DESCRIPTION  | GROUP NO. | DESCRIPTION   | GROUP NO. |
|--|-----------|---|-----------|
| <b>R - Cont.</b>   |           | <b>R - Cont.</b>  |           |
| RING, Headlamp Bulb Retaining .....                                    | 3.275     | RING, Steering Gear Cross Shaft Snap.....                                   | 10.306    |
| RING, Hog .....  | 30.025    | RING, Steering Gear Jacket Tube To<br>Toeboard "O".....                     | 10.350    |
| RING, Horn Blowing.....  | 3.406     | RING, Steering Gear Shaft Bearing Preload<br>Capsule Retaining.....         | 10.810    |
| RING, Horn Blowing Ring Plate Lock.....                                | 3.406     | RING, Steering Gear Upper Shaft Coupling<br>Seal Retainer .....             | 10.733    |
| RING, Horn Button Contact.....   | 3.400     | RING, Steering Knuckle Pin Thrust<br>Bearing "O" .....                      | 10.023    |
| RING, Horn Button Contact Lock.....                                    | 3.400     | RING, Steering Wheel Cap Retaining.....                                     | 10.284    |
| RING, Hydrovac Hydraulic Master Piston<br>Snap.....                    | 8.575     | RING, Steering Wheel Trim .....   | 10.280    |
| RING, Hydrovac Hydraulic Piston Snap .....                             | 8.580     | RING, To Support Lock .....   | 5.148     |
| RING, Hydrovac Relay Valve Piston Stop<br>Washer Retaining.....        | 8.570     | RING, Transmission Front Ball Bearing Lock                                  | 6.048     |
| RING, Hydrovac Vacuum Piston Packing<br>Wick.....                      | 8.580     | RING, Transmission Front Ball Bearing Snap                                  | 6.044     |
| RING, Hydrovac Valve Body Snap .....                                   | 8.555     | RING, Transmission Front Reverse Idler<br>Gear Snap.....                    | 6.172     |
| RING KIT, Power Steering Gear "O".....                                 | 10.550    | RING, Transmission Rear Ball Bearing Lock                                   | 6.056     |
| RING, Load Leveler Spring Retainer Snap ...                            | 11.235    | RING, Transmission Rear Ball Bearing Snap                                   | 6.056     |
| RING, Overdrive Cam Snap .....   | 6.330     | RING, Transmission Rear Ball Bearing Pilot                                  | 6.058     |
| RING, Overdrive Front Ball Bearing Snap ...                            | 6.278     | RING, Transmission Reverse Gear Housing<br>Rear Ball Bearing Snap .....     | 6.030     |
| RING, Overdrive Governor Gear Retaining... ..                          | 6.329     | RING, Transmission Spline Shaft Snap .....                                  | 6.069     |
| RING, Overdrive Main Shaft Snap.....                                   | 6.336     | RING, Transmission Synchronizer Clutch<br>Snap .....                        | 6.080     |
| RING, Overdrive Ring Gear Snap .....                                   | 6.307     | RING, Transmission Third Speed Gear Snap .                                  | 6.144     |
| RING, Overdrive Rear Ball Bearing Snap .....                           | 6.284     | RING, Valve Rocker Arm Shaft Retaining....                                  | 1.098     |
| RING, Overdrive Sun Gear Balk .....                                    | 6.302     | RING, Valve Tappet Snap .....   | 1.088     |
| RING, Overdrive Sun Gear Balk Snap .....                               | 6.302     | RISER, Rear Seat .....  | 20.025    |
| RING, Parking And Front Directional Signal<br>Lamp Lens Retainer ..... | 3.292     | RISOR, Rear Cargo Platform Floor .....                                      | *****     |
| RING, Power Brake Master Cylinder<br>Piston "O" .....                  | 8.715     | RIVET, Ventilator Upper Pivot.....  | 23.118    |
| RING, Power Brake Master Cylinder Piston<br>Retaining .....            | 8.715     | ROD, Accelerator Control .....  | 4.055     |
| RING, Power Brake Piston Seal .....                                    | 8.695     | ROD, Accelerator Pedal .....  | 4.045     |
| RING, Power Steering Cylinder Piston Rod<br>End Plug Wiping.....       | 10.410    | ROD, Air Conditioning Evaporator Defroster<br>Damper.....                   | 13.500    |
| RING, Power Steering Cylinder Piston Rod<br>Piston .....               | 10.405    | ROD ASSEMBLY, Clutch Inner Lever Or<br>Beam To Throwout Lever.....          | 5.187     |
| RING, Power Steering Cylinder Piston Rod<br>Stop .....                 | 10.405    | ROD ASSEMBLY, Connecting.....   | 1.136     |
| RING, Power Steering Gear Housing End<br>Plug Retaining.....           | 10.540    | ROD, Automatic Transmission Manual<br>Control Linkage.....                  | 16.225    |
| RING, Power Steering Gear Housing<br>End Plug Seal "O".....            | 10.537    | ROD, Automatic Transmission Parking<br>Brake Linkage .....                  | 16.090    |
| RING, Power Steering Gear Rack-Piston .....                            | 10.580    | ROD, Automatic Transmission Solenoid Push                                   | 16.235    |
| RING, Power Steering Gear<br>Rack-Piston Back-Up Seal "O" .....        | 10.582    | ROD, Automatic Transmission Throttle<br>Control Cable To Control Lever..... | 16.225    |
| RING, Power Steering Pump Drive Shaft<br>Retainer Snap .....           | 10.440    | ROD, Battery Hold Down Clamp.....   | 3.095     |
| RING, Propeller Shaft Center Bearing Lock..                            | 9.144     | ROD, Carburetor Control Shaft.....  | 4.065     |
| RING, Rear Air Suspension Compressor<br>Piston .....                   | 11.307    | ROD, Clutch Inner Lever Or Beam To<br>Throwout Lever .....                  | 5.187     |
| RING, Rear Axle Differential Side Gear .....                           | 9.034     | ROD, Clutch Pedal.....  | 5.140     |
| RING, Rear Axle Pinion Snap.....                                       | 9.050     | ROD, Clutch Pedal To Outer Lever Or Beam..                                  | 5.160     |
| RING, Seat Back Internal Gear.....                                     | 29.105    | ROD, Cowl Top To Wheelhouse Panel .....                                     | 20.093    |
| RING, Transmission Adapter Bearing Snap ..                             | 6.030     | ROD, Cowl Ventilator Damper.....  | 22.014    |
| RING SET, Piston .....   | 1.146     | ROD, Defroster Air Duct Damper .....  | 13.120    |
| RING SET, Transmission Overhaul Snap .....                             | 6.004     | ROD END ASSEMBLY KIT, Power Steering<br>Cylinder Valve Spool.....           | 10.398    |
| RING SET, Transmission Synchronizer Clutch<br>Friction.....            | 6.090     | ROD, Engine Rear Support Crossmember To<br>Torque Tube Thrust....           | 1.010     |
| RING, Speedometer Cable "O".....                                       | 3.570     | ROD, Engine Thrust.....   | 1.017     |
| RING, Speedometer Drive Gear.....                                      | 6.240     | ROD, Exhaust Pipe Support .....   | 4.195     |
| RING, Spotlight Adapter .....  | 15.370    | ROD, Fresh Air Intake Damper.....   | 13.150    |
