

1961 PAINT

Air Dry Repair Enamel and Lacquer are available from two sources of supply: Ditzler Color Division-Pittsburgh Plate Glass Co. and E. I. Dupont DeNemours and Co.-Automotive Finishes Division. Each of these companies have thier own distributors and dealers in principle cities in the U. S. A.

The American Motors Paint Code Number is stamped in the body number plate. The corresponding manufacturers source numbers and paint names may be obtained by refering to the following chart.

When ordering paint from local DuPont and Ditzler Paint Dealers furnish them with their color blend file number and name of the paint required. Also please specify enamel or lacquer.
