

1962 PAINT

Air Dry Repair Enamel and Lacquer are available from two sources of supply: Ditzler Color Division-Pittsburgh Plate Glass Co. and E. I. Dupont DeNemours and Co.-Automotive Finishes Division. Each of these companies have their own distributors and dealers in principle cities in the U. S. A.

The American Motors Paint Code Number is stamped on the body number plate. The corresponding manufacturers source numbers and paint names may be obtained by referring the the following chart.

When ordering paint from local DuPont and Ditzler Paint Dealers furnish them with their color blend file number and name of the paint required. Also please specify enamel or lacquer.
